Mr. Tim Masterson
The James A. Masterson Foundation

Dear Mr. Masterson,

Thank you for your donation and your support. Please find a before and after photo of one of the children whose life was changed forever with free cleft surgery.

Without generous donors like you, children with unrepaired cleft would never receive the help they so desperately need, and there would be no end to their isolation, shame and suffering.

In as little as 45 minutes, for as little as \$250, the surgery you helped provide gives a desperate child not just a new smile, but a new life.

We hope these pictures put a smile on your face too and will be a happy reminder that there is a child in the world who is smiling today thanks to you.

From everyone here at Smile Train and all of the children we will help this year, thank you so much.

Best wishes,

Priscilla Ma
Executive Director
